Cafe&Wellness Week is rescheduled from 5 to 7 October 2020

To whom it may concern

Thank you very much for your support for Cafe&Wellness Week.

In keeping up with the current situations involving the novel coronavirus COVID-19 global pandemic and the increasing restrictions being placed on travel and tourism, **Cafe&Wellness Week will be rescheduled from 5 to 7 October 2020.**

This decision has been taken after careful consideration and in the interest of exhibitors and visitors and, above all, to protect the health of all attendees.

This exhibition was originally scheduled to be held at Pacifico Yokohama, Yokohama, Kanagawa from 1 to 3 July 2020. The organizers assessed that the actual situation would not guarantee the quality of the exhibition and would not create sufficient business opportunities for our exhibitors and visitors, so we decided to postpone it.

For safe operation in the new schedule, we will build a perfect system for safety and operation by the novel coronavirus COVID-19 guidelines for holding the exhibition.

We will continue to do our best to revitalize the cafe restaurant and food industry. We ask for your continued support for this exhibition.

Thank you very much for your corporation.
